LIDC | INTERNATIONAL LEAGUE OF COMPETITION LAW

Digital Sovereignty and Competition: the Future of the AI Stack

The **LIDC together with LIDC Nex Gen** will be holding a webinar on **Wednesday 2 December 2026** from **12.30 – 14.00 pm (CET) / 11.30-1.00 pm (UK).**

Digital sovereignty has emerged as one of the defining themes of 2026, with the EU's Technology Sovereignty Package marking a significant shift in its digital policy framework. This webinar takes a timely comparative look at the approaches of the EU and its neighbour and close trading partner Türkiye, which has established a distinctive sovereignty model. Leading experts from both jurisdictions will analyse the evolving relationship between competition law, digital regulation, and industrial policy across the AI stack, and consider lessons that may be learned from the respective approaches.
