

INTERNATIONAL LEAGUE
OF COMPETITION LAW

LIDC WEBINAR

The Ligue Internationale de Droit de la Concurrence (LIDC) will be holding a webinar on **Friday 27 January 2023 from 1:00pm to 2:00pm (CET) / 12:00 to 1:00pm (UK)** on:

THE IMPACT OF THE WAR IN UKRAINE ON THE ENERGY MARKET AND THE ENERGY REGULATION

This webinar will deal with the impact of the war in Ukraine on the energy market and on its regulation. Energy is a very specific commodity characterised with significant physical, financial and (geo) political constraints. The design of the regulation of the energy market must take all these constraints into account. A shock such as the war in Ukraine illustrates the limits of such a regulation as well as the complexity of reforming it.

SPEAKER: Pierre Goffinet, Partner, Strelia

Pierre is a partner in the Competition Law and Regulatory practice. Besides dealing with antitrust, merger control and State aid cases, Pierre is a recognised regulatory expert in energy, telecommunications and transport. His antitrust experience covers cartel, restrictive agreements, abuse of dominance and abuse of economic dependency cases. He combines an in-depth understanding of economics and competition law, both at European and Belgian level. Pierre represents economic operators (active, in particular, in network industries) before (national and EU) courts and (Belgian and EU) competition authorities. He has dependable experience in sectoral regulation: energy (application of network codes, prohibition of market manipulation and insider trading (REMIT)), telecommunications, transportation (air, automotive and rail), retail and finance (insurance). Before joining Strelia, Pierre was a researcher in applied macroeconomics at the Université Catholique de Louvain (2002-2004), a lawyer in two Magic Circle law firms (2004-2009), a prosecutor for the Belgian Competition Authority (2009-2013) and a partner in a Belgian business law firm (2014-2021).

The session will be moderated by **Carmen Verdonck, Partner, ALTIUS**.
